1. Login to e-GP Portal along with User Name & Password

TOC User will be created by e-GP Admin or Organization Admin in the e-GP Portal. The moment user is created on e-GP; User will get a system generated e-Mail message in his registered e-Mail ID which contains the necessary information pertaining to User Login details along with User name & Password. With the help of this User name & Password, User can start working on e-GP Portal (As shown in **Screen –A1**)

Steps for Login to the system

- 1.1. User will login to e-GP Portal along with User Name & Password. In case of first time login, to maintain the “**Security & Integrity**” on e-GP Portal, system by default leads to “**Change Password**” screen will come wherein user has to give the details which are asked.

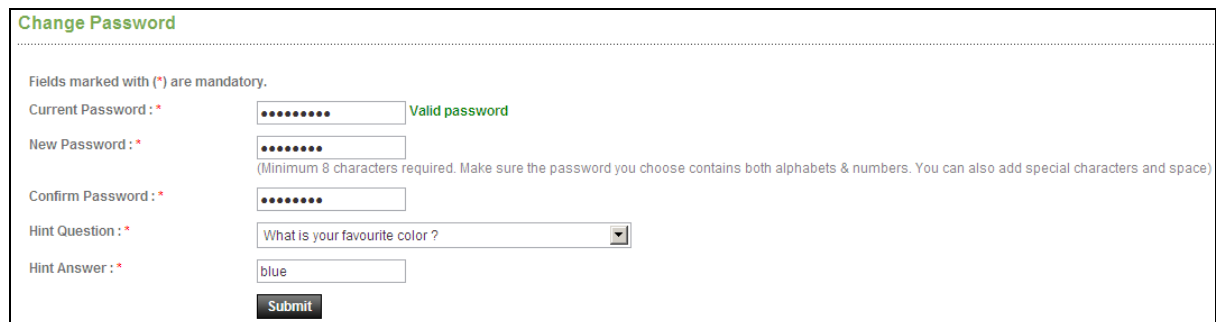

The screenshot shows the e-GP Portal home page. At the top, there is a navigation bar with links for Home, About e-GP, Contact Us, RSS Feed, and Language (English). Below this is a search bar with a dropdown menu set to 'Tenders' and a 'Search' button. A 'Go To' section includes links for Tenders, Annual Procurement Plans, Awarded Contracts, and Debarred Tenderers. The main content area features a 'User Login' section with fields for 'e-mail ID' and a password field, a 'Login' button, and links for 'New User Registration' and 'PE User Registration'. To the right, there is a section titled 'About e-Government Procurement (e-GP) System' with descriptive text and a 'View All Notifications' link.

Screen–A1

- 1.2. In this Change Password page all fields are mandatory. Therefore, User has to give an input on each & every field. If any of the field skipped by User, then system won't allow User to process further on the e-GP Portal.

- 1.3. Once all the inputs are given by the User after that, User has to click on “**Submit**” button which would be available at bottom of the page. (As shown in **Screen-A2**)

The screenshot shows the 'Change Password' form. It includes a note that fields marked with an asterisk (*) are mandatory. The form contains the following fields: 'Current Password' (with a 'Valid password' message), 'New Password' (with a note that a minimum of 8 characters is required and should contain both alphabets and numbers), 'Confirm Password', 'Hint Question' (a dropdown menu with 'What is your favourite color?' selected), and 'Hint Answer' (with 'blue' entered). A 'Submit' button is located at the bottom of the form.

Screen-A2

- 1.4. Once details are given by User and clicking on **“Submit”**, system will show message on User screen i.e. **“Password Changed successfully”** then User will be redirected to home page where the User has to enter the e-mail ID and the new password. (As shown in **Screen-A3**)

The screenshot displays the e-GP system interface. At the top right, there are navigation links: Home | About e-GP | Contact Us | RSS Feed | Language English. Below this is a search bar with the text 'Type your Keyword here' and a dropdown menu set to 'Tenders'. A 'Search' button and a link to 'Advanced Search' are also present. A 'Go To' section includes links for Tenders, Annual Procurement Plans, Awarded Contracts, and Debarred Tenderers. A notification banner reads 'As the first step of the e-Tend...' with a link to 'View All Notifications'. The main content area is titled 'About e-Government Procurement (e-GP) System' and contains text about the portal's purpose and supported by the World Bank. On the left side, there is a 'User Login' form with fields for 'e-mail ID' and a password field, a 'Login' button, and a 'Forgot Password?' link. Below the login form is a 'New User Registration' button. A green message box at the top left of the page states 'Password changed successfully'.

About e-Government Procurement (e-GP) System

National e-Government Procurement (e-GP) portal (i.e. <http://eprocure.gov.bd>) of the Government of the People's Republic of Bangladesh is developed, owned and being operated by the Central Procurement Technical Unit (CPTU), IME Division of Ministry of Planning. The e-GP system provides an on-line platform to carry out the procurement activities by the Public Agencies - Procuring Agencies (PAs) and Procuring Entities (PEs).

The e-GP system is a single web portal from where and through which PAs and PEs will be able to perform their procurement related activities using a dedicated secured web based dashboard. The e-GP system is hosted in e-GP Data Center at CPTU, and the e-GP web portal is accessible by the PAs and PEs through internet for their use.

The e-Government Procurement solution introduced under the Public Procurement Reform (PPR) Process is being supported by the World Bank and being used by all the government organizations which will help in ensuring equal access to the Bidders/Tenderers, efficiency, transparency and accountability in the public procurement process in the country.

Screen – D4

4.2.2.1 **Live Tenders Tab** → By default, System will show **Live** Tab and criteria will be all the tenders which are published and still closing date and time is not over will be displayed.

4.2.2.2 **Archive Tenders Tab** → Criteria for **Archive Tenders** tab will be all the tenders in which closing date and time is over will be displayed.

4.2.2.3 **Cancelled Tenders Tab** → Criteria for **Cancelled Tenders** Tab is when the tenders are cancelled by PE User of Ministry Office.

4.2.2.4 **All Tenders Tab** → Criteria for **All Tenders** Tab is where all the tenders will be displayed.

5. Workflow

5.1 Workflow menu consist of 3 sub menu's (**Pending Task, Processed Task, Approved Workflow**)

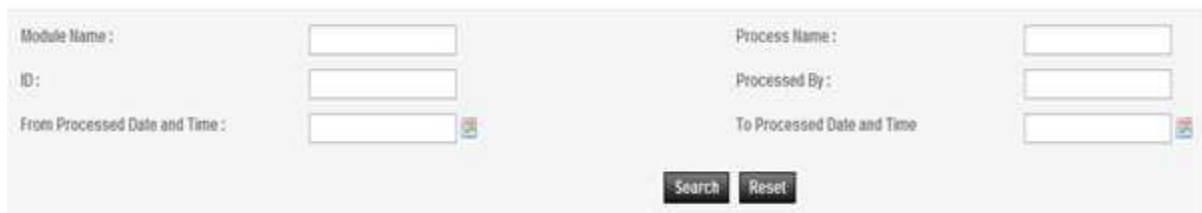

5.2 Pending Task (Workflow >> Pending Task)

5.2.1 TOC User will click on "**Pending Task**" to process the file which is in workflow. (As shown in **Screen –E1**)

Screen – E1

5.2.2 TOC User can use search condition as input values (**Module Name, Process Name, APP/Tender ID, Processed By, From Processed Date and Time and To Processed Date and Time** – As shown in **Screen – E2**) and result will be displayed in grid table.

A screenshot of a search form with a light gray background. It contains six input fields arranged in two columns. The left column has fields for 'Module Name', 'ID', and 'From Processed Date and Time'. The right column has fields for 'Process Name', 'Processed By', and 'To Processed Date and Time'. Below the input fields are two buttons: 'Search' and 'Reset'.

Screen – E2

5.2.3 If TOC User wants to process the file, then click on "**Process**" link under Action column and system will display Process file in Workflow page. (As shown in **Screen – E3**) User will be shown File Details, Module, Process Name, Workflow History, Workflow Level and User has to fill details – Comments, Select from Action, Upload Document (Required document to be uploaded). Click on "**Submit**" button.
